Dear Patron:

Finding a reliable and satisfactory “Residential” or “Commercial” cleaning service for your home, office or business facility can be time consuming and frustrating. We are here to take the hassle out of your search.

T.L.C. Cleaning Service is an independently owned and operated cleaning service, serving customers in Northumberland County since 2008 with the confidence of becoming a landmark in the Northumberland community.

Our mission is to achieve the best cleaning job possible and build a company based on honesty, dedication and quality service. T.L.C team members are qualified, dependable professionals. All T.L.C. employees are WSIB covered, insured and bonded. We pride ourselves on our outstanding quality and professional service and stand tall in perfection and satisfaction guarantee. Our customers are important to us. We work as a team and will go to great lengths to show our appreciation for all who choose to do business with us.

T.L.C. Cleaning Service offers a large range of residential and commercial cleaning services with flexible hours to accommodate your needs. Specializing in Residential homes, cottages, apartment buildings & condominiums – as well as commercial and industrial services including educational facilities, apartment buildings, condominiums, office buildings – large or small, retail, real estate and more.

T.L.C. Cleaning Service now offers services such as; pet watch, house watch, errands, shuttle, non-medical care giver, homemaking needs such as laundry and bed making, light gardening and more...

T.L.C. Cleaning Service also participates in green products, protecting our environment and doing our share in helping employee people in our community.

All cleaning supplies and equipment are supplied by T.L.C. unless stated otherwise. 13% HST tax will be added to all T.L.C. service charges.

We look forward to the opportunity to service your needs and become a valued partner in maintaining and improving the appearance and cleanliness of your home, business or building facility.

Thank you in advance for considering T.L.C. Cleaning Service as your service provider and for helping to keep people in your community employed.

Yours Sincerely,

Tresa Lee Clare
